Aspect Consulting expands Seattle location

Aspect Consulting is expanding and moving to the Court in the Square building in Pioneer Square. As of July 30, the firm's Seattle address will be 401 Second Avenue South, Suite 201.

Since 2001, Aspect Consulting has been providing focused environmental, water resources, and geologic engineering services from Seattle and Bainbridge Island locations. Recent local projects include Gates Foundation groundwater remediation; Sound Transit University Link Light Rail geology/hydrogeology; Lake Tapps water rights permitting; SAM Olympic Sculpture Park Environmental Cleanup; and Port of Seattle Stormwater GIS System.

Phone and fax numbers remain the same: 206.328.7443 and 206.838.5853. The website address is www.aspectconsulting.com
